

Course Description:

This course will review the governing statutes and rules that regulate the practice of Optometry in the State of Florida. The course is designed and presented to meet the two-hour Florida Jurisprudence CE requirement.

Course Objectives:

At the conclusion of the presentation the attendee will have general understanding of the Florida Statutes Chapters 463, 456 and the Florida Board of Optometry Rules Chapter 64B13 of the administrative Code.

Topics to be addressed are:

- An overview of the Florida Board of Optometry
- The standards of practice as directed by law
- How the laws and rules can be amended
- Past and Current law changes
- Current changes in licensure and CE Requirements
- Common infractions resulting in disciplinary action
